Dear Sir/Mam,

I am writing to provide an update on the preparations for KLH Bachupally's annual tech-fest, Viwentiaa 2026. As a member of the c preparations and completing the assigned tasks.

So far, the event activities have been planned, the required tasks have been divided among the committee members, and preparat been coordinating with the respective teams to ensure that the activities are progressing according to the plan.

The remaining work includes finalizing some event arrangements, confirming the required resources, and completing the coordinat tasks before the event so that everything is ready on time.

Please let me know if there are any additional tasks or areas that you would like our team to prioritize.

Thank you for your guidance and support.

Sincerely,
Team 17
