Ever wondered why the cost of everyday items jumps from ₹1,000 to ₹1,300 in just a month? It all comes down to inflation, demand-supply shifts, fuel prices, and production costs—where falling purchasing power directly impacts our lives. But recognizing these economic shifts is only the first step; the real... more

Campa's biggest strength isn't just affordable pricing; it's Reliance's ability to combine pricing power with distribution muscle and retail reach. But the real test is repeat purchases, retailer profitability and sustainable market share. Getting into the cooler is one battle; earning a perma… more
